

## **ECLIPSE SMOKE TRAYS POPULAR SELLERS**

The attractiveness and utility of the Eclipse Smoke Trays have earned remarkably large sales for them during

the present season. During the Christmas shopping weeks alone, more than 40,000 of them were sold.

These handy kits are made in two sizes. The "Nifty" is a compact, handsome little product, retailing at \$1.00. The tray illustrated, the "Eclipse," includes cigarette holder, match holder and ash receiver, and sells at \$1.50. These popular specialties are made by the Eclipse Timer Manufacturing Company of Milwaukee.
